

## **VISION**

The Pambayang Dalubhasaan ng Marilao (PDM), a premier higher education institution in the region in providing quality subsidized tertiary education and industry training programs committed to produce globally competent, competitive, capable, and skillful graduates who excel in their chosen field.

## **MISSION**

Cognizant of the importance of contributing to the realization of national development goals and right of every citizen to quality education, PDM commits itself to the provision of quality education, and mold its students into productive and responsible citizens who are imbued with virtues, aware of their national heritage, and proud of their local culture.
